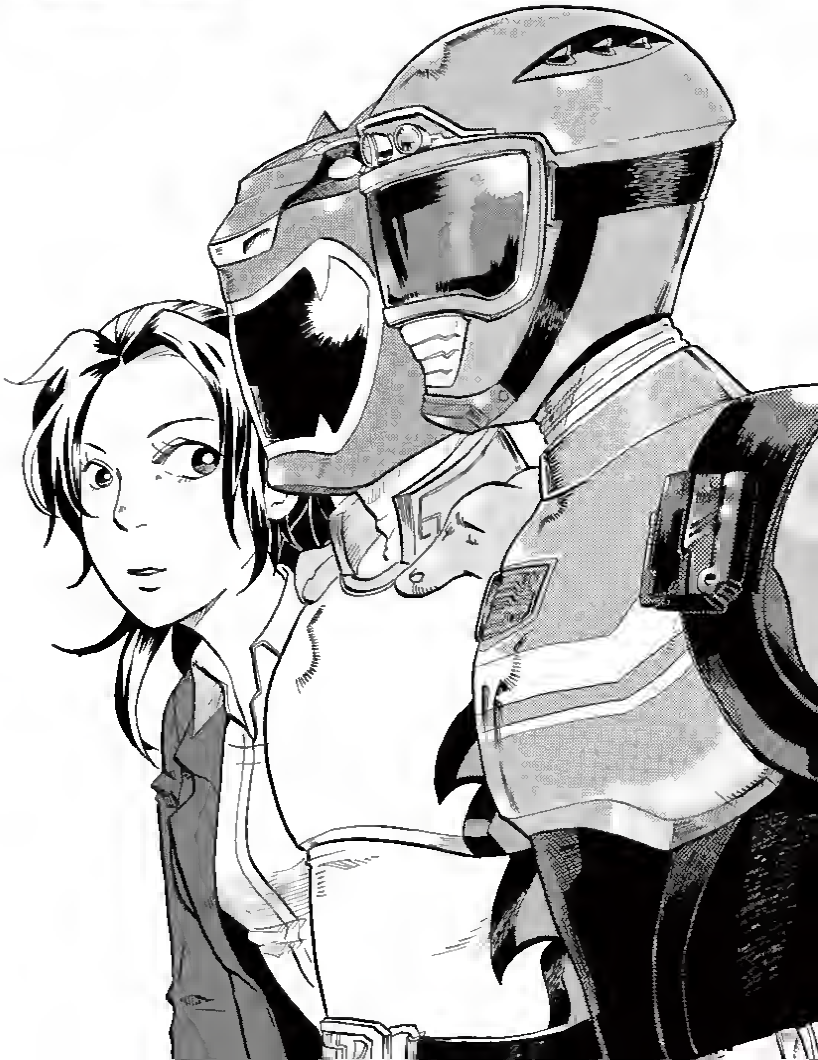
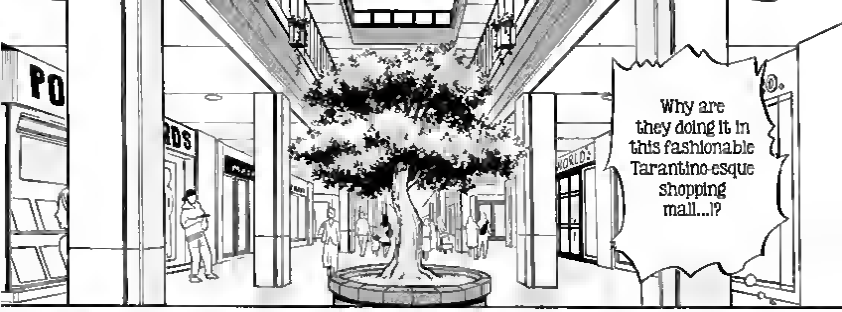
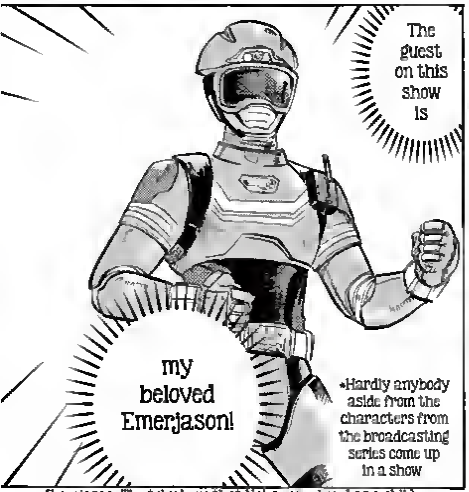
Chapter 5: Additional Warrior!



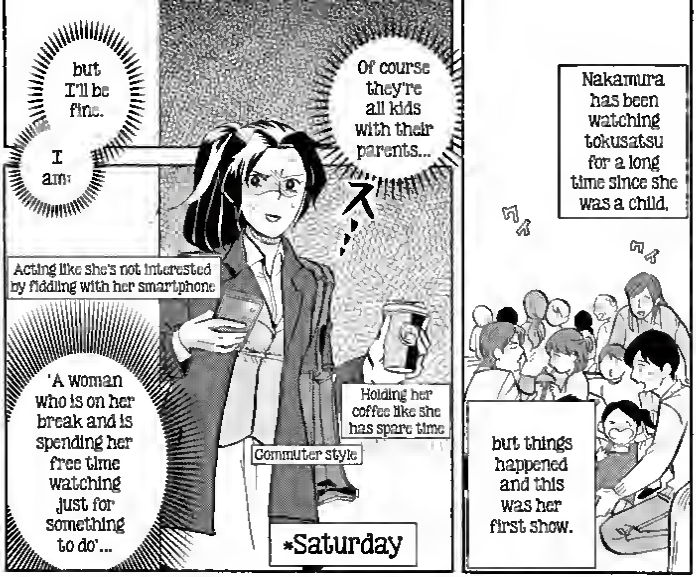
This is the inconspicuous Tokuota Nakamura.
Hello there.
2
She came to the hero show today.
Yes.
The one that is held in places like a department store.





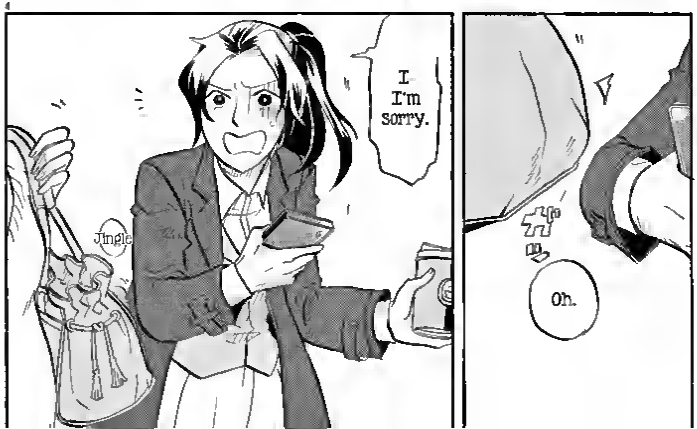
•Hardly anybody aside from the characters from the broadcasting series come up in a show

Emerjason The toku hero that Nakamura loved as a child



but I'll be fine.
I am
Of course they're all kids with their parents...
Nakamura has been watching tokusatsu for a long time since she was a child,
Acting like she's not interested by fiddling with her smartphone
'A woman who is on her break and is spending her free time watching just for something to do'...
Holding her coffee like she has spare time
Commuter style
*Saturday
but things happened and this was her first show.

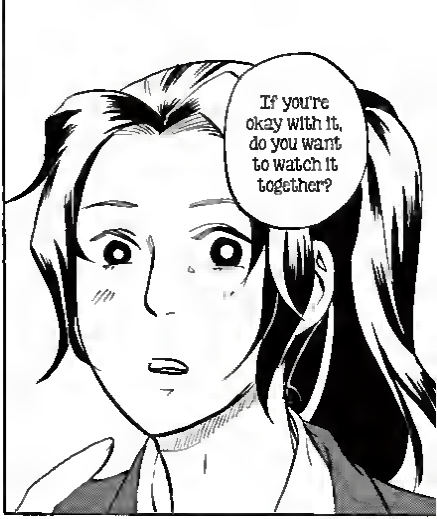
Just a little more forward...
Just a little...



I I'm sorry.
Jingle
Oh.

Ohh.
Oh, this is...
Ah you're the one
from the train some time ago.
Uhh... are you alone?
Um Well
Oh No
Uhh.. oh...
That's good. I am too.
Wh
What a coincidence.
Well, not really a coincidence.

I..
Is that alright?
I think it would be nice, myself.
F



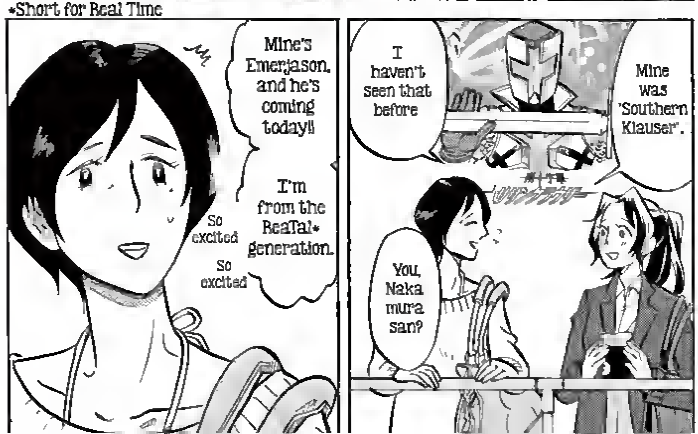
If you're okay with it, do you want to watch it together?

I don't have to hide it.
I can talk normally about tokusatsu...!
Finally.
Let's watch over there.
Nakamura has gained an additional warrior.
Umm ..
Umm...
*A somewhat friendly warrior that arrives in the middle of things.

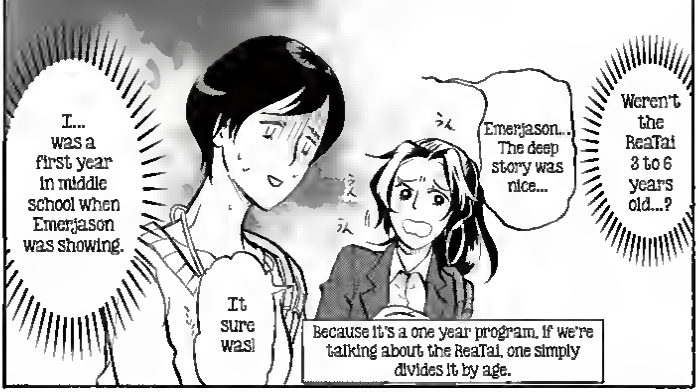
Barreleye
Deep sea fish
How far does this person go?
Well, umm... even if we're the same kind of fish, the oceans we live in are different.
Mudskipper? Anglerfish? Barreleye?
For some reason,
I have no idea what to talk about.
Yeah yeah
I should just get closer at my own pace.
It'll be fine, Nakamura. There's lots of time.
While Nakamura was swimming in her own thoughts like this
Ohh... I'm so glad I came...!
Was she always alone...?
I'm glad... brave it up and ask her out...
Yoshida san, was also going through lots of other thoughts.
This girl—

Yes.
While Nakamura was going through her first time,
Yoshida-san was considering pulling out.
Uh
Um...
It might be my last time today.
Go with a light question first.
so having someone with me might give me some nice memories.
3
Yoshida-san, what was the show you liked the most?
Yoshida

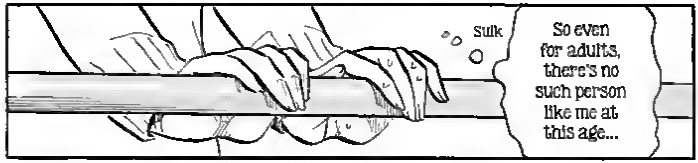
*Short for Real Time



Mine's Emerjason, and he's coming today!!
So excited
I'm from the ReaTa!* generation.
So excited
I haven't seen that before
Mine was "Southern Klauser".
You, Naka mura san?



I... was a first year in middle school when Emerjason was showing.
It sure was!
Emerjason... The deep story was nice...
Weren't the RealTai 3 to 6 years old...?
Because it's a one year program, if we're talking about the RealTai, one simply divides it by age.



Sulk
So even for adults, there's no such person like me at this age...

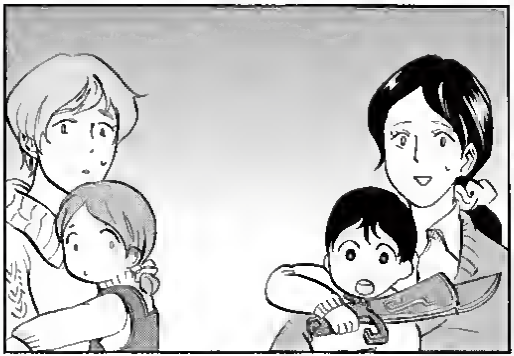
I wonder if my juniors are having more kids...
So happy I can talk normally~
Nakamura hasn't noticed that she's shoving the knife in further
Yoshida-saaaan
Here, here
Her coworkers are already married, and they have kids...
Look! It's my little kid~

Talking about the currently airing shows seems like a good idea.
Umm, who's the character in Juushouwan that you like the most.
Mine is Triger.
Triger
Pack Fighter
Mine is Shishileo~
His half moon blade battle was so cool.

Yoshida-san

Look, it's my little kid.
Oh, that's Shishileo's weapon.
That's right. You knew about that pretty well.

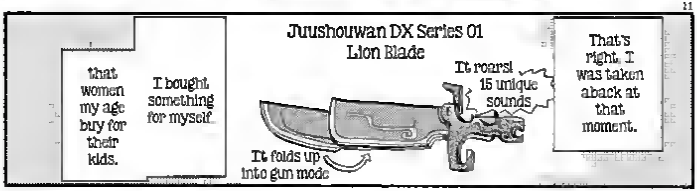
Yoshida san.



It's pretty heavy and well made.
Look.
Yeah yeah

...the lion blade is nice.
I can't say that I have it.
Though the name feels kinda cheesy.
It sure is~

11



that women my age buy for their kids.
I bought something for myself.
Juushouwan DX Series 01
Lion Blade
It roars! 15 unique sounds
It folds up into gun mode
That's right. I was taken aback at that moment.

Oh
It's starting.
A good adult
can't be doing these unacceptable things all the time...

Souls that don't meet
すれ違う
Gave me the final push...
Thank you very much... for today...
No...
Same here...!
The Emerjason generation.
Hi there, everyone
Naka mura-san.
こんにちは

We're going to call Shishileo and Emerjason with a really loud voice!
Thank you... and goodbye...

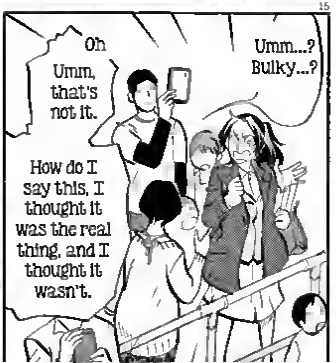
Shishileo!
1,
2...
Emerjason!
ヒーロータイム

Emerjason!!
Shishileo!

That somersault was nice and high.
Clap for Shishileo and Emerjason!

!??
So bulky...

no, it was 3D in the first place.
You get it? The depth?
3D? Sorta 3D.
P please calm down.
You grow into it.



Oh
Umm, that's not it.
Umm...? Bulky...?
How do I say this. I thought it was the real thing, and I thought it wasn't.

Umm, how do I put this.
ohh, the voice is so different from TV.
Well, I always wanted to go.
Umm... could this be your first show?
I was already in 4th grade.
When the show first came to my home-town,
so I got really yelled at because watching that was unacceptable.
I was too big.
These unacceptable things all the time.
That's...
So I was thinking that an adult like me couldn't come today as well.
I was thinking that I'd die

That's not what I think.
That's...
17
If you like it,
It has nothing to do with age or gender.
That's what I think.

I see.
How is Emerjason?
Naka mura san,
that's something you should decide yourself.
He's the same from when I was a kid.
He's soooo cool.

you're watching with me.
I'm really thankful that

An unimaginable camera appeared.
That's true.
So,
Nakamura san, let's use this chance
Gloom...
and watch our show, no holds barred.
You can't watch this from a screen.
That breeds hesitation.
You can't go looking for good scenes.
In any case, you just gotta click away.

Now let's go greet them.
That's so embarrassing!
If it's the two of us, we'll be fine.
You might not be able to meet Emerjason again.
Ugh
And you can only meet Shishileo under normal circumstances this year.
20
Uh... Um... Here I go...
Nakamura has no idea that she once forced her first friend to the brink.
and then rescued her once more.
No standing around
